

NEWSLETTER

Volume 1 Issue 1

Welcome

Dear Residents & Relatives,

Welcome to Wells House Nursing Home's first newsletter! As you will be aware the home is under new ownership and we're very excited to continue all things amazing at our home and make the experiences of our residents even better where possible.

The goal of the newsletter is to keep you all informed and involved of the upcoming events and activities within our lovely home, and share everything we've done in the previous month. This will be sent out to you all every month and will also be uploaded to our brand new website which will be launching in the coming weeks.

Entertainment and Activities

In March, we had a fabulous Pancake Day on the 4th, where we enjoyed homemade pancakes thanks to Chef Sandip!

We celebrated St Patrick's Day with a giddy leprechaun and a drink of Guinness!

We had our latest visit from our Super Dooper Cooper 🐾
Thank you Cooper the Black Greyhound Pets As Therapy!

All the mothers in our home received a rose to celebrate Mother's Day!

Entertainment and Activities

Our residents enjoyed receiving some wonderful haircuts, thanks to Kaya!

We also had a fantastic afternoon out to the Sunflower House with The Smiling Sessions and Shape Shifter Productions 🌻.

On the day we danced, we sang, we had tea and biscuits! It was a truly memorable day, see you again soon!

Our most recent Little Oaks Nursery visit contained a treasure hunt and they all learnt about Spring!

Home and Staff News

As we welcome April, we're embracing the spirit of fresh starts, brighter days, and a growing sense of togetherness. Here at the Home, we're focusing on nurturing that feeling of connection and community. Our goal is to make sure everyone feels supported, valued, and part of something special.

We're excited to share some wonderful updates from within our Home! First and foremost, a big congratulations to Jemma Chodecki, who has recently stepped into her new role as Assistant Manager. Many of you will know Jemma from her time as our Activities Coordinator, where her creativity and dedication brought so much joy to residents. We're thrilled to see her grow into this new position—her passion and experience continue to make a real difference every day.

Daniel will be offering workshops on training new skills for any staff members. He will also help out anyone who requires assistance with completing timesheets, so please do get in touch with him regarding that!

The team is also working behind the scenes to welcome some new faces. We're committed to building a strong, caring team that reflects the warm and supportive environment we aim to provide for all who live and work here.

For this month

On Tuesday 15th April, we are looking forward to celebrating Easter with a fun-filled Easter Tea Party! Please see our poster at the end of the newsletter!

There will be plenty to look forward to with a visit from a live singer and an ice cream truck serving up classic favourites. We will also have a surprise visit from two Shetland ponies – so please do not let the residents know! There will also be Easter crafts, card making and a festive Easter egg hunt, so feel free to bring friends and family to enjoy this day set to be filled with laughter, creativity and community spirit!

As always, we are keen to receive any feedback, ideas or suggestions that you may have. Please feel free to either email these to us at office@wellshouse.net, or you can by all means speak to any of our team when you visit or call.

A Place Called Home ❁

*This is a place of gentle care,
Of helping hands and hearts that share.
Where days are passed with love and grace,
And every soul has found their place.*

*Laughter rings through open halls,
In quiet rooms and busy calls.
The warmth here isn't just from sun—
It's from the kindness, every one.*

*So as the seasons come and go,
And gardens bloom and soft winds blow,
Know that within these caring walls,
There's comfort when the evening falls.*

by Alison Jean Thomas

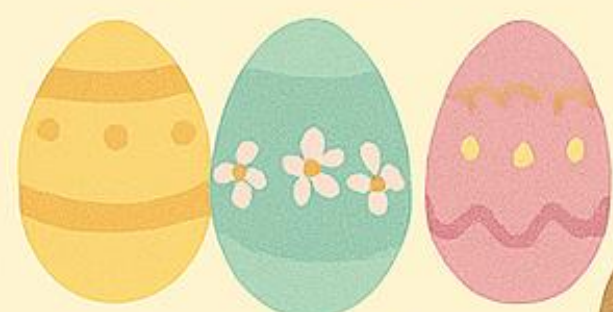

Our Mission

*Our goal is to provide compassionate,
person-centered care that meets the
physical, emotional, and social needs of each
individual in our care, by creating a
supportive and nurturing environment*
