Home and Staff News

We're excited to share that we're currently working on enhancing our environment for the comfort and wellbeing of our residents and staff.

There has been an upgrade in the laundry room with two brand-new washing machines.

Room 21 has been beautifully renovated and has now welcomed in a new resident.

We've made significant improvements to our office space, including a reconfiguration of the furniture layout, as well as the addition of new computers and a modern printer to support our team's efficiency.

Looking ahead, we're excited to share that the lounge area will be undergoing redecoration in the coming weeks. We'll keep everyone updated with specific dates, and rest assured, all visitors and residents will be comfortably accommodated during this time. Our goal remains to make sure everyone feels comfortable, valued, and part of a united community.

A warm welcome to our new carers who have joined us, Loreedana and Teenu, and Nurse Renya! We are also excited to welcome back Melissa as our new Activities Coordinator who is joining us from the 22nd of May! Some may remember her from our Christmas and summer parties. It's great to see the team expanding and we're committed to maintaining a strong, supportive environment for all who live and work here.

For this month

We celebrated VE day on the 8th May and it was a great event to honour those who served during the war. We had a live singer on the day along with plenty of sunshine, music and wonderful bunting decorations. Thank you to all those who attended!

We've got a lovely line-up of events planned for our residents this May! On the 14th, our ever-popular hairdresser will be visiting to pamper residents with fresh hairdos—perfect for welcoming the warmer days ahead. Thursday 22nd brings a special treat as Walkabout Productions Nina joins us for an afternoon of entertainment, visiting room and lifting spirits with her lovely voice and noble steed (her guitar)

Betty!

May is shaping up to be a month full of care, connection, and cheerful moments!

If you missed out on the Easter party and VE Day, not to worry as we have some exciting events ahead!

We will also be holding a Summer Fete, which will be held at some point in July (TBC) So keep your eyes peeled for emails and posters with a confirmed date, it would be great to see you there.

If you have any feedback or want to get in contact, please feel free to either email us at **office@wellshouse.net**, or you can by all means speak to any of our team when you visit or call.

May and the Poets

*There is May in books forever;
May will part from Spenser never;
May's in Milton, May's in Prior,
May's in Chaucer, Thomson, Dyer;
May's in all the Italian books:—
She has old and modern nooks,
Where she sleeps with nymphs and elves,
In happy places they call shelves,
And will rise and dress your rooms
With a drapery thick with blooms.
Come, ye rains, then if ye will,
May's at home, and with me still;
But come rather, thou, good weather,
And find us in the fields together..*
