Volume 1 Issue 3

Welcome

Dear Residents & Relatives,

Welcome to the June edition of the Wells House Nursing Home newsletter! This month has been filled with a mixture of sunny afternoons, rainy days, but nevertheless, plenty of cheerful moments shared across our community. Inside, you'll find highlights from our recent activities, key updates from the Home, and a few special touches to reflect the warmth and joy May has brought us. We hope you enjoy reading!

Entertainment and Activities

On the 8th May, we celebrated VE day at Wells House. The home was well decorated, and the wonderful Debbie came for a sing-song!

Residents, along with some friends and family, enjoyed a sing along under the beaming sun.

No better way to enjoy the weather on this special occasion than indulging in some ice cream.

Thank you to Ice Delights for paying us a visit in their truck..

Our residents loved it!

Entertainment and Activities

Some of our residents enjoyed having their lunch together, followed by a fun session of bingo!

We had a very special visit from Cooper, who came to visit most of the residents, we love feeding him treats and giving him cuddles. Cooper is nominated for volunteer of the year award, so huge congratulations to him and his owner Dean!

The wonderful Nina came to sing some of the residents requested songs, from the comfort of their bedrooms, which went down a treat. There were lots of beautiful voices singing along.

Stella found happiness by looking through her family photo books, which is a great way to engage in conversation!

Home and Staff News

This month we celebrated our new staff members Nurse Renya, who has shown her dedication and care to all our residents with a warm smile on her face, and our old friend Melissa has joined as our Activities Coordinator, she has already bonded with our residents and offering a variety of activities tailored to their needs. Hip Hip Hooray!

We want to update all our residents, families, and staff on some important developments coming up in June. Essential Refurbishment and Upgrade Works will take place from Monday, 2nd June to Thursday, 5th June. This is part of our ongoing commitment to maintaining a safe and well-functioning environment for everyone. Please note that during this time visitors will not be allowed, unless there are extenuating circumstances. If you have concerns or believe you need to visit, please contact management in advance. There will be limited access to toilet facilities as work is carried out. We sincerely thank everyone for their understanding and cooperation as we carry out these necessary improvements.

Staff Training Updates – June also brings our annual Life Support Training and Manual Handling Training for all staff. These sessions are vital to ensure that our team remains fully trained, confident, and up to date with best practices in resident care and safety. We're proud of our staff's

ongoing commitment to providing the highest standard of care.

Here's to a positive and productive month ahead!

For this month

June is already looking to be a fun packed month! We have an exciting visit from the guinea pigs, where the residents will get a chance to feed them snacks and cuddle up to their soft fur!

On the 10th June we welcome our regular little visitors, the students of Little Oaks, where they will sing and take part in a quest with all the residents! We look forward to seeing all their smiley faces.

One of our residents will be celebrating their birthday and we look forward to celebrating in style with their favourite musician!

To end the month of June, we will be having a visit from the hairdresser, who will be giving the residents a freshen up ready for the summer sun. This will take place on the 23rd June, and everyone can't wait for some TLC!

A Place Called Home

*This is a place of gentle care,
Of helping hands and hearts that share.
Where days are passed with love and grace,
And every soul has found their place.*

*Laughter rings through open halls,
In quiet rooms and busy calls.
The warmth here isn't just from sun—
It's from the kindness, every one.*

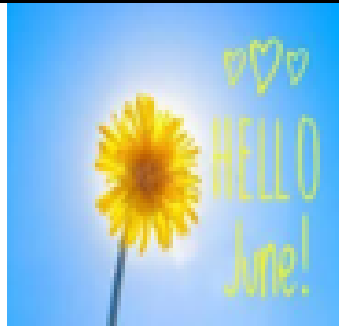

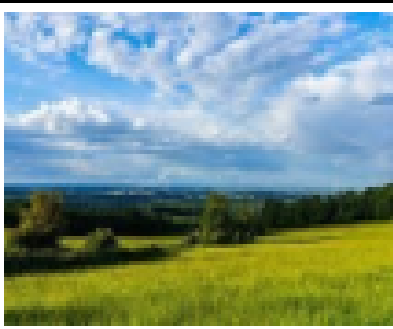

*So as the seasons come and go,
And gardens bloom and soft winds blow,
Know that within these caring walls,
There's comfort when the evening falls.*

by Alison Jean Thomas

Our Mission

Our goal is to provide compassionate, person-centred care that meets the physical, emotional, and social needs of each individual in our care, by creating a supportive and nurturing environment
